Business & Technology · Strategy-oriented Builder
Universidad de Granada

pablo@pablopetrus.com · linkedin.com/in/pablocontrerasperez · pablopetrus.com

Double-Degree student in **Computer Science Engineering + Business Administration (GIIADE)** at Universidad de Granada, with distinctions in Algebra and Political Economy. Selected as **Project Lead** for an Erasmus+ Arqus Alliance consulting engagement on data-cloud KPIs for Spanish tourism agencies. Winner of the SIDN GenAI Arena Hackathon '26 (national press coverage). In-person attendee of Imperial College London Tech Week 2026.

EDUCATION

Universidad de Granada (UGR) — Sep 2025 – Jul 2030
Double Degree — Computer Science Engineering + Business Administration (GIIADE)

- **Matrícula de Honor** (highest distinction) in Linear Algebra (9.8/10) and Political Economy (9.3/10).
- Top mark of the promotion in Calculus and Programming Fundamentals.
- Top 5% nationally in the Spanish University Entrance Exam (PAU).
- Applied C++ coursework focused on banking security systems and fraud detection.

IES Padre Suárez, Granada — Sep 2023 – Jun 2025
Bachillerato — Technology & Science track · GPA **9.1 / 10**

EXPERIENCE

Project Lead — BIP "Transforming Ideas into Businesses" (Consulting Engagement) — Apr 2026 – May 2026
Universidade do Minho · Arqus Alliance / Erasmus+ · Guimarães, Portugal · Fully funded

- Led an international team through a strategy consulting engagement building a **data-cloud KPI framework** for Spanish tourism agencies — alongside peers from six European countries.
- Owned the client-facing narrative, competitive analysis, and go-to-market strategy across the intensive presential phase in Portugal.

Co-founder & Technical Partner — Andaluz.ia (GranadaTur 2035) — Jul 2025 – Present

- **Selected as UGR representative with a fully-funded scholarship** to the BIP program at Universidade do Minho (Guimarães & Porto, Portugal) — reserved for high-potential entrepreneurship projects across the Arqus Alliance.
- Presented at the XIII UGR University Entrepreneurship Contest (€26,000 prize pool), Santander X Explorer, El Carmen incubator, and Breaker Impulsa.

Automation Consultant — Canal Online (Autónomo / Freelance clients in Madrid, Valencia, Granada) — 2023 – May 2025

- Built multichannel content-automation infrastructure (GHL, Google Apps Script) and CRM integrations (HubSpot, Salesforce, Meta Ads) for national agencies.
- Managed client relationships, project scoping, and delivery across three regions.

AWARDS & INTERNATIONAL EXPOSURE
